Successful 2019 Social Events

Summer Social and Annual Golf Outing

We had a great turnout for both events - The Green Bay Country Club hosted around 80 for the summer social and 50 for the golf outing/ dinner. Thank you to all who were able to make it! We can't wait for our 2020 events.

children's health

Wisconsin's ranking for the health of women and children dropped compared to other states last year, according to a new report from the United Health Foundation.

Wisconsin is ranked 19th in the nation in the report, down five spots from last year. That was one of the largest drops in the country.
