### BCMS Town Hall with Local Legislators

*Register today!*

Don't miss this unique opportunity to interact with your local legislators and enjoy dinner at the Rockwood Terrace in the heart of the new Titledown District just steps from Lambeau. This event is a great opportunity to hear updates on issues affecting physicians, patients and the practice of medicine. Wisconsin Medical Society Vice President of Government Affairs Mark Grapentine will moderate the discussion.

This event is open to BCMS members and a guest. *There is no cost to attend, however registration is required.*

[Register online today](#) & view the list of invited legislators/candidates and select your dinner entree.

Have you voted today? Need information on your local polling place? [Click here](#) to find your local polling place and cast your vote!

### Report shows Opioid prescribing continuing to decline

Wisconsin has seen a 32% decrease in opioid prescriptions dispensed since January 2015, according to a report released this week by the Controlled Substances Board at the state's Department of Safety and Professional Services (DSPS).

## Proposed rule would alter health reimbursement account regulations

The Trump Administration this week proposed a new rule that would allow employers to offer employees tax-preferred health reimbursement accounts (HRA) as an alternative to traditional health insurance.

## Sign up now for Doctor Day 2019!

Join over 500 physicians and medical students representing nearly every medical specialty for an opportunity to learn the legislative process first-hand, and to make their voices heard at the State Capitol. Doctor Day 2019, scheduled for May 1 in Madison, will kick off with an advocacy primer followed by a briefing on current issues impacting physicians and the patients they serve. In the afternoon, attendees will meet with their legislators and/or legislative staff at the State Capitol, and the day will conclude with a reception at Madison's Monona Terrace.

[Register here.](#)
